1. A UCC Pénzügyi Nyilatkozat kitöltésének részletei

Összefoglalás

Egységes Kereskedelmi Törvénykönyv (UCC) Pénzügyi Nyilatkozata – Ne tévesszen meg a hosszú név. Ránézésre ugyan ez a UCC-s regisztráció is csak egy hivatalosnak tűnő ún. „birtokomban vagy” dokumentum, amelyben a védett feleknek és az adós feleknek van egy nyilvántartása arról, hogy ki birtokol mekkora dologi vagy pénzbeli vagyont kivel szemben és milyen módon kell a kifizetést teljesíteni. Jelen esetben azonban ennek a sajátos UCC Pénzügyi Nyilatkozatnak a benyújtásával te magad, mint magánember vagy a biztosított fél és az Egy Emberiség Nyilvános Érdekképviselő (OPPT) az adós fél. Te, mint magánszemély vagy egy személyben a folyamodványt benyújtó és annak címzettje is. Te birtoklod ezt a folyamodványt és ezt kijelented a lenti, A-val és B-vel jelölt szöveges mezőben.

Ez egy jó gyakorlat, hogyan töltsd ki a UCC Pénzügyi Nyilatkozatot papír alapon vagy írható PDF formátumban mielőtt benyújtanál egy online folyamodványt. Így könnyebben átláthatod és megértheted, hogy mi az, amit nyilvánosan feljegyeztetsz. Az Egységes Kereskedelmi Törvénykönyv Pénzügyi Nyilatkozatának űrlapjából fogunk dolgozni. Szükséges, hogy a kitölthető PDF file meg legyen nyitva a számítógépeden ahhoz, hogy követni tudd ezt az útmutatót. Ha ez nem áll rendelkezésedre, megnyithatod a linket is a források részénél. A sűgőkat csak olvasás céljából lehet itt megnyitni.

Befejezted a UCC Pénzügyi Nyilatkozat kitöltését PDF formátumban. Most már használhatod a linkeket a segéddokumentumok résznél, amelyek segítségével a lakóhelyed szerinti online benyújtó felületeket találsz. Használd a most következő eligazításokat az online folyamodványok lebonyolításhoz, valamint ezt a kitölthető formátumot, mint szövegforrást, amelyből kimásolhatsz és beilleszthetsz részeket a megfelelő helyre.

1.2 Útmutató egy UCC Pénzügyi Nyilatkozat online kitöltéséhez és benyújtásához

1. Keresd ki a használati útmutató segéddokumentumok részénél az országod szerinti megfelelő linkeket az online benyújtó helyekhez, amelyek elfogadják az online vagy a személyes folyamodványok benyújtását. Amennyiben az Egyesült Államokon kívül laksz, néhány online felület – Washington, New York és Kalifornia államoké – elfogadja a külföldi folyamodványokat. Ebben az esetben csak ki kell választanod az országodat az adott helyen a legördülő listából.
2. Szükséges a folyamodvány benyújtásához, hogy legyen érvényes bankkártyád. Győződj meg róla, hogy kéznél legyen a minta, miközben kitöltöd az online folyamodványt.
3. Miután eldöntötted, hogy melyik a számodra megfelelő weboldal, regisztráld a személyes adataid és hozd létre a profilod. Kövesd az oldalon látható útmutatót.
4. Töltsd ki a formula megmaradt részeit az előbb kitöltött PDF file-ból kimásolva és az online felületre beillesztve a vonatkozó szövegrészeket és adatokat. Valamelyik szövegdoboznál kérni fogják ezt.
5. Mielőtt tovább lépsz a következő részhez, ellenőrizd, hogy a megadott információ helyes. Győződj meg róla, hogy elmentetted az adatokat a mentésre kattintva. Néhány online formula esetében lehet, hogy nincs külön mentés opció (ezért töltötted ki előbb a PDF formulát gyakorlásként).
6. Majdnem elkészültél. Nézd át az online formulát mielőtt elküldöd. Ellenőrizd, hogy minden információ helyes és amennyiben szükséges, módosítsál még a folyamodvány elküldése előtt.
7. Klikkelj az elküldésre (*Submit Form*). Nyomtasd ki a UCC 1 formulát a visszaigazolásal együtt és tartsd biztos helyen őket. A UCC 1 formulában meg lesz adva egy regisztrációs szám, amire szükséged lesz a különböző szervezetekkel történő ügyintézésed során. Még inkább fontos, hogy ezáltal közvetlenül kapcsolatba kerülsz az Egy Emberiség Nyilvános Érdekképviselettel.
8. Vannak weboldalak és online fórumok, amelyek elérése nehézkes lehet, ezért keress rá az Egy Emberiség Nyilvános Érdekképviseletre vagy az OPPT-re.

2. Completing the Declaration of Facts and Final Bill

section 1: addresses list of registered recipients
section 2: annexes; details of alleged accounts with recipients
section 3: establishing personal authority and canceling contracts
section 4: calling out the crime and seeking restitution
section 5: signature and service

Your Declaration of Facts and Commercial Bill will be different than everyone else's because your financial situation is different than everyone else's. That said, there are some commonalities that can be described here to help you. In the text that follows you will use a combination of boilerplate text (mostly legalese and UCC Document numbers that must be copied from these samples into your document) and unique financial and personal text content that is particular to your situation. The largest portion of the text in your document will be boilerplate. It is easiest to start with a sample document or the Declaration template and work from there rather than re-entering all of the boilerplate.

You will need to confirm that you know all the details of your particular financial situation: account numbers, legal names of debtors, individual contact information and addresses, etc. An understanding of the background of the People's Trust can help you put this into perspective. Be prepared to do the research while you carefully put this document together. Recognize that what you are doing is calling out your debtors (who fraudulently called themselves your creditors) and foreclosing on them if they don't pay back what they have stolen from you, plus penalties.

This is a guide. Use or discard safely. The Guide will refer to sections in the sample given below. Some sample sections may not correspond exactly to the sample you are looking at so keep the sample of the Declaration of Facts and Commercial Bill nearby for reference. You may also need to refer to the Declaration of Facts template file.

This declaration of facts and final bill does not get registered typically with the UCC as does the UCC Financing Statement. You will mail this completed declaration, registered, to all the addressees noted above.

The UCC Document Registration number that you received when you registered your Financing Statement in the previous step must be put in the area directly beneath the title of this declaration and bill. This number ties your financing statement to the People's Trust so they can pay out to you what the foreclosed corporations and alleged governments owe you. For example. This is the title you will use. Insert your own UCC Document number in place of the one shown below.

DECLARATION OF FACTS & COMMERCIAL BILL
UCC Doc. No. 2012138448

A. Address list of registered recipients

You are sending a bill, an invoice, to a commercial entity within the legal framework of the Uniform Commercial Code. In the examples provided (see below) the subject individuals are addressing their creditors starting with the biggest and going to the smallest. This is an example of how address blocks are listed. Vertically listing them is ok too.

December 21, 2012

TO DEBTORS:

TO: alleged STATE OF WASHINGTON
IN AND FOR THE COUNTY OF PIERCE
C/o Robert McKenna, rob.mckenna@atg.wa.gov
Bryan Chushcoff
Linda CJ Lee
Kevin Stock
Mark Maenhout
930 Tacoma Ave. S., Department 19
Tacoma, WA 98402

TO: alleged PIERCE COUNTY SHERIFF
C/o Paul A. Pastor, JR.
Civil Section, 930 Tacoma Ave. S.
Rm. 1B-203, Tacoma, WA 98402
(253) 798-7520 Tel.

Notice the level of detail in each address and the different levels of recipient. You will need to judge your situation accordingly. These details must be correct. When you are complete with this document you will send each of these addressees a copy of this Declaration and Bill by registered mail. You may need to send it to them up to three times at seventy-two hour intervals. Check the OPPT and UCC websites and blogs for more information.

B. Annexes: details of alleged accounts

Repeat the address information for each recipient and include any case number or account numbers and any names associated with these. Read the examples carefully and determine how your recipient, account and/or case numbers with respect to this recipient can be applied. Notice in the screenshot below the UILO UCC Doc Nos. Do not remove these. This begins the boilerplate text for this section.

2. MILLSAP & SINGER, LLC

c/o Benjamin Struby

612 Spirit Drive

St. Louis Missouri 63005

alleged case numbers 11JE-ACO7027 and 11JE-AC07027-01 DEUTSCHE BANK NATIONAL TRUST v. Susan E Rhoades, regarding alleged HARBORVIEW TRUST 2007-7 and any and all records thereto, thereunder and therefrom; UILO UCC Doc. Nos. 2012127810, 2012127854, 2012127907, 2012127914, 2012128324, 2012132883, 2000043135, 2012138448 and any and all records thereto and thereunder; *all restated in their entirety and incorporated by reference as if set forth in full and duly reconfirmed and ratified.

Where the text for each annex begins “and any and all records thereto...” is where your account and recipient description ends. This ‘boilerplate’ text is to be inserted at this location, at the end of your description, in each of the individual annexes. This boilerplate text ends at “...reconfirmed and ratified.” This boilerplate makes reference to all of the UCC Filing Documents that the One People’s Public Trust filed on behalf of all the People on the planet and is a critical component of your Declaration and Bill.

C. Establishing authority and canceling contracts.

In this section that starts “WITH DUE STANDING, AUTHORITY...” you are declaring that you are a creation of the creator and that as such you have as much right to and ownership of the Uniform Commercial Codes as any other creation of the creator and that with this document you are claiming that authority. This authority is documented in the Uniform Commercial Code and further confirmed by the UCC filings carried out by the One People’s Public Trust in the name of the people of the planet. You are also re-categorizing the recipients and establishing them as your DEBTORS within the context of this declaration. Copy this text exactly as it appears in the sample from “WITH DUE...” to the end of sub-section F

Note: toward the end of this item there is a space to enter the date this declaration was made. See the examples and the template, Declaration of Facts and Commercial Bill for more detail.

Further to this section under item (around F) you will once again name the recipients and their addresses. At the end of each description you must copy and paste in the following boilerplate text as shown in the sample:

“as a matter of public policy UCC1-103, specifically Principal Agent Doctrine, hereafter “DEBTOR”;

In the item of the sample (around 1G) that starts “For cause, specifically violation of the ...” you are canceling all of the contracts, called instruments, that were issued by the recipients, (illegally) in violation of your rights.

D. Calling out the crime and seeking restitution

In the item of the sample that begins “The undersigned do knowingly, willingly,...” you are calling the recipients, called actors (also now your DEBTORS), on unlawfully commandeering your duly secured VALUE without your consent. See the original OPPT filings for more details on your secured VALUE. The link to the OPPT website can be found in the last section of this document or below this video.

In the item of the sample (4) that begins “I knowingly, willingly, and intentionally...” you are claiming damages from your former Creditors. Use all of the text in this paragraph as it appears in the sample, except, change the sum to a sum in dollars that is equal to the sum they owe you to dissolve the alleged debt. The remainder of the sub-sections in this section are a combination of boilerplate and original text. Insert your particulars into the sample’s original text in a similar way. Be sure to include all of the boilerplate text in the same format and order as shown in the sample.

Throughout the remainder of this section, enter the damages sum you used previously into each of the sub-sections. Yes, those numbers are in the billions. Damages under UCC code are 200,000 times greater than the sum of the original instrument. See this example:

B. That without my knowing, willing, and intentional consent, and as a matter of record, I have suffered duly verified damage of my EQUITY value, FOUR HUNDRED THOUSAND DOLLARS (\$350,000) financial instruments times face value of TWO HUNDRED THOUSAND (200,000.00), in the sum certain of EIGHT HUNDRED BILLION DOLLARS (\$800,000,000,000) lawful money of the United States, unrebuted;

Finish off this section by copying and pasting the remaining sub-sections into your document exactly as they appear in the sample.

In the section that starts “That any and all damages...” be sure to enter the numbers that correspond to the text and sums entered above and don’t forget to do the math.

A lot of this looks like repetition but on close reading you will see there are subtle differences and a strong internal logic. This internal logic and the fact the Uniform Commercial Code is the registry into which all such agreements are registered by governments and corporations alike means you have the same power they have to make filings and claims within the boundaries of your secured VALUE.

E. Signature and Service

In the section that starts “The undersigned bondservants...” your declaration is spelling out clearly that you have made this declaration within the bounds of the law within the bounds of the Uniform Commercial Code. The UCC codifies commerce and transactions. By filing your financing statement and declaring the facts you are taking agreeing to the overwhelming likelihood that most of the people on the planet were and continue to be slaves to a very few masters who have been hoarding a large sum of equivalency dollars: gold, silver and other precious metals.

In the section that starts “DULY VERIFIED...” make sure to change the date to the date you made your declaration. All of the rest of this section is boilerplate.

Use the signature line to sign your name. A fingerprint is a nice touch. Check to make sure you understand what a bondservant is and what this kind of signature stands for. Submitting this type of document is an undertaking that will remain in the public record forever. This is only a guide. Discretion, curiosity and creativity are yours to use.

Print enough copies of this Declaration when you are satisfied that there are NO typos or mistakes. The UCC registry is very picky and precise. Send a copy to each of your DEBTORS by registered mail. You may have to send them this declaration multiple times (up to three times). Check the OPPT websites and blogs for more information.

This is as far as I have taken the process. Stay tuned.

Instructions for National UCC Financing Statement (Form UCC1)

Please type or laser-print this form. Be sure it is completely legible. Read all Instructions, especially Instruction 1; correct Debtor name is crucial. Follow

Instructions completely.

Fill in form very carefully; mistakes may have important legal consequences. If you have questions, consult your attorney. The filing office cannot give legal advice.

Do not insert anything in the open space in the upper portion of this form; it is reserved for filing office use.

When properly completed, send Filing Office Copy, with required fee, to filing office. If you want an acknowledgment, complete item B and, if filing in a filing office that returns an acknowledgment copy furnished by filer, you may also send Acknowledgment Copy; otherwise detach. If you want to make a search request, complete item 7 (after reading Instruction 7 below) and send Search Report Copy, otherwise detach. Always detach Debtor and Secured Party Copies.

If you need to use attachments, use 8-1/2 X 11 inch sheets and put at the top of each sheet the name of the first Debtor, formatted exactly as it appears in item 1 of this form; you are encouraged to use Addendum (Form UCC1Ad).

- A. To assist filing offices that might wish to communicate with filer, filer may provide information in item A. This item is optional.
- B. Complete item B if you want an acknowledgment sent to you. If filing in a filing office that returns an acknowledgment copy furnished by filer, present simultaneously with this form a carbon or other copy of this form for use as an acknowledgment copy.

1. Debtor name: Enter only one Debtor name in item 1, an organization's name (1a) or an individual's name (1b). Enter Debtor's exact full legal name. Don't abbreviate.

1a. Organization Debtor. "Organization" means an entity having a legal identity separate from its owner. A partnership is an organization; a sole proprietorship is not an organization, even if it does business under a trade name. If Debtor is a partnership, enter exact full legal name of partnership; you need not enter names of partners as additional Debtors. If Debtor is a registered organization (e.g., corporation, limited partnership, limited liability company), it is advisable to examine Debtor's current filed charter documents to determine Debtor's correct name, organization type, and jurisdiction of organization.

1b. Individual Debtor. "Individual" means a natural person; this includes a sole proprietorship, whether or not operating under a trade name. Don't use prefixes (Mr., Mrs., Ms.). Use suffix box only for titles of lineage (Jr., Sr., III) and not for other suffixes or titles (e.g., M.D.). Use married woman's personal name (Mary Smith, not Mrs. John Smith). Enter individual Debtor's family name (surname) in Last Name box, first given name in First Name box, and all additional given names in Middle Name box. For both organization and individual Debtors: Don't use Debtor's trade name, DBA, AKA, FKA, Division name, etc. in place of or combined with Debtor's legal name; you may add such other names as additional Debtors if you wish (but this is neither required nor recommended).

1c. An address is always required for the Debtor named in 1a or 1b.

1d. This field has been removed pursuant to California Uniform Commercial Code, Section 9526.5.

1e,f,g. “Additional information re organization Debtor” is always required. Type of organization and jurisdiction of organization as well as Debtor’s exact legal name can be determined from Debtor’s current filed charter document. Organizational ID #, if any, is assigned by the agency where the charter document was filed; this is different from tax ID #; this should be entered preceded by the 2-character U.S. Postal identification of state of organization if one of the United States (e.g., CA12345, for a California corporation whose organizational ID # is 12345); if agency does not assign organizational ID #, check box in item 1g indicating “none.”

Note: If Debtor is a trust or a trustee acting with respect to property held in trust, enter Debtor's name in item 1 and attach Addendum (Form UCC1Ad) and check appropriate box in item 17. If Debtor is a decedent's estate, enter name of deceased individual in item 1b and attach Addendum (Form UCC1Ad) and check appropriate box in item 17. If Debtor is a transmitting utility or this Financing Statement is filed in connection with a Manufactured-Home Transaction or a Public-Finance Transaction as defined in applicable Commercial Code, attach Addendum (Form UCC1Ad) and check appropriate box in item 18.

2. If an additional Debtor is included, complete item 2, determined and formatted per Instruction 1. To include further additional Debtors, or one or more additional Secured Parties, attach either Addendum (Form UCC1Ad) or other additional page(s), using correct name format. Follow Instruction 1 for determining and formatting additional names.

3. Enter information for Secured Party or Total Assignee, determined and formatted per Instruction 1. If there is more than one Secured Party, see Instruction 2. If there has been a total assignment of the Secured Party’s interest prior to filing this form, you may either (1) enter Assignor S/P’s name and address in item 3 and file an Amendment (Form UCC3) [see item 5 of that form]; or (2) enter Total Assignee’s name and address in item 3 and, if you wish, also attaching Addendum (Form UCC1Ad) giving Assignor S/P’s name and address in item 12.

4. Use item 4 to indicate the collateral covered by this Financing Statement. If space in item 4 is insufficient, put the entire collateral description or continuation of the collateral description on either Addendum (Form UCC1Ad) or other attached additional page(s).

5. If filer desires (at filer's option) to use titles of lessee and lessor, or consignee and consignor, or seller and buyer (in the case of accounts or chattel paper), or bailee and bailor instead of Debtor and Secured Party, check the appropriate box in item 5. If this is an agricultural lien (as defined in applicable Commercial Code) filing or is otherwise not a UCC security interest filing (e.g., a tax lien, judgment lien, etc.), check the appropriate box in item 5, complete items 1-7 as applicable and attach any other items required under other law.

6. If this Financing Statement is filed as a fixture filing or if the collateral consists of timber to be cut or as-extracted collateral, complete items 1-5, check the box in item 6, and complete the required information (items 13, 14 and/or 15) on Addendum (Form UCC1Ad).

7. This item is optional. Check appropriate box in item 7 to request Search Report(s) on all or some of the Debtors named in this Financing Statement. The Report will list all Financing Statements on file against the designated Debtor on the date of the Report, including this Financing Statement. There is an additional fee for each Report. If you have checked a box in item 7, file Search Report Copy together with Filing Officer Copy (and

Acknowledgment Copy). Note: Not all states do searches and not all states will honor a search request made via this form; some states require a separate request form.

8. This item is optional and is for filer's use only. For filer's convenience of reference, filer may enter in item 8 any identifying information (e.g., Secured Party's loan number, law firm file number, Debtor's name or other identification, state in which form is being filed, etc.) that filer may find useful.

Instructions for National UCC Financing Statement Addendum (Form UCC1Ad)

9. Insert name of first Debtor shown on Financing Statement to which this Addendum is related, exactly as shown in item 1 of Financing Statement.
10. Miscellaneous: Under certain circumstances, additional information not provided on Financing Statement may be required. Also, some states have non-uniform requirements. Use this space to provide such additional information or to comply with such requirements; otherwise, leave blank.
11. If this Addendum adds an additional Debtor, complete item 11 in accordance with Instruction 1 on Financing Statement. To add more than one additional Debtor, either use an additional Addendum form for each additional Debtor or replicate for each additional Debtor the formatting of Financing Statement item 1 on an 8-1/2 X 11 inch sheet (showing at the top of the sheet the name of the first Debtor shown on the Financing Statement), and in either case give complete information for each additional Debtor in accordance with Instruction 1 on Financing Statement. All additional Debtor information, especially the name, must be presented in proper format exactly identical to the format of item 1 of Financing Statement.
12. If this Addendum adds an additional Secured Party, complete item 12 in accordance with Instruction 3 on Financing Statement. In the case of a total assignment of the Secured Party's interest before the filing of this Financing Statement, if filer has given the name and address of the Total Assignee in item 3 of the Financing Statement, filer may give the Assignor S/P's name and address in item 12.
- 13-15. If collateral is timber to be cut or as-extracted collateral, or if this Financing Statement is filed as a fixture filing, check appropriate box in item 13; provide description of real estate in item 14; and, if Debtor is not a record owner of the described real estate, also provide, in item 15, the name and address of a record owner. Also provide collateral description in item 4 of Financing Statement. Also check box 6 on Financing Statement. Description of real estate must be sufficient under the applicable law of the jurisdiction where the real estate is located.
16. Use this space to provide continued description of collateral, if you cannot complete description in item 4 of Financing Statement.
17. If Debtor is a trust or a trustee acting with respect to property held in trust or is a decedent's estate, check the appropriate box.
18. If Debtor is a transmitting utility or if the Financing Statement relates to a Manufactured-Home Transaction or a Public-Finance Transaction as defined in the applicable Commercial Code, check the appropriate box.
